

ST. MICHAEL'S CATHOLIC GRAMMAR SCHOOL

Rules for Responsible Computer and Internet Use

The school has installed computers and Internet access to help our learning. These rules will keep everyone safe and help us to be fair to others.

- I will use only my own login Username;
- I will not access other people's files;
- I will use the computers only for school work and homework;
- I will only e-mail people my teacher has approved;
- The messages I send will be polite and sensible;
- I will not give my home address or phone number, or arrange to meet anyone using the Internet;
- I will not use chat channels or newsgroups;
- To help protect other pupils and myself, I will tell a member of staff if I see anything I am unhappy with or I receive messages I do not like;
- I understand that the school may check my computer files and may monitor the Internet sites I visit;
- I will not use the Internet to play games;
- I will never involve myself in Cyber-bullying whether at home or at school. I Understand that making insulting comments on a web-site, sending rude or nasty text messages or emails or sharing embarrassing videos will always be viewed by the School as cyber-bullying.
