4 Form Entry Voluntary Aided Grammar School for Girls with Boys in the Sixth Form
920 on Roll. 280 in Sixth Form.

Temporary Biology Technician - Maternity Cover
Part-time 30 hours per week, 39 weeks per year (term time only)
Unified Rewards Grade C: actual salary £23,935 to £24,282 (FTE £32,655 to £33,129)

Required 4th January 2027

The Governors are seeking to appoint a Technician to provide specialist support to the Biology Department for this temporary contract whilst the incumbent is on maternity leave.

Duties are wide-ranging and will include (amongst others): support to pupils in accessing the curriculum, preparation and maintenance of resources as required by staff for lesson planning. In addition, this post encompasses support of practical activities with groups or one-to-one including the use of specialised equipment and technology. St Michael's Catholic Grammar School is a small school with a distinctive Catholic ethos. Students are very well behaved and the school provides a very rewarding working environment where employees are valued and there is a focus on staff welfare.

This person will work under the direction of the Head of Department and Subject Teachers. School experience would be desirable but is not essential.

The appointed candidate will be flexible in their approach to the wide-range of work undertaken – and will be an intrinsic part of the support staff team. The ability to manage a range of competing demands and to prioritise work is very important. Very good levels of both written and spoken English are essential.

Closing date: Monday 16th November 2026 - midday - interviews will take place soon after. *Early applications are encouraged as we reserve the right to call candidates to interview before this advert is withdrawn*

We are committed to safeguarding and promoting child welfare

The post is subject to an enhanced DBS check

St. Michael's is an equal opportunities employer - applications are welcome from all sections of the community
